# OUR BRANDS

The Brands that we are glad to represent are the result of 25 years of direct experience, along which we have had occasion to use, test, evaluate and select what we consider not just suppliers, but real Partners to better perform Pastry, Gelato and Ice Cream Creations

## INGREDIENTS

High Standards, Highly selected Raw Materials, Innovation and Tradition. These are the most important characteristics to define Mec3 and Babbi Brands..

## SILICON MOULDS

Top leading manufacturer of Silicon Moulds, Silikomart represents the Worldwide benchmark in the field. Untouchable quality standards, it's goodness has proved by the number of forgery around.

## EQUIPMENTS ! FURNITURES

Technology, Innovation, Simplicity. These characteristics are not available in all Brands, surely they are signatures of the Brands in our selection. Thanks to our partners we are able to supply all food public premises with particular attention to Ice Cream, Gelato shop, Parlors, Bars, as well as manufacturers labs including bakeries, pastries, confectionery.

LucaMari Co Ltd Import and distribute in Thailand and surroundings, Italian products made by Top Leading Companies in Pastry, Bakery, Gelato, Ice Cream, Confectionery. All manufacturers are Certified ISO, HACCP, CE, able to propose our customers all last novelties and trends, always according Worldwide certifications for your (and your customers) safety,

## PACKAGING

The perfect solution with Italian taste, style and standards, to your sweet creations. Cups, Spoons, styrofoam tubs, trays, all kind of packaging for your amazing production. Available also with your Brand & Label by request. Now enriched with BIO line for a more clean planet

## HCS

HCS  
Closure  
System

- 1 Thanks to the reduced number of Defrosts the gelato is better in terms of organoleptic characteristics and appearance. Its activates defrosting based on how long the display case is actually open rather than at preset intervals
- 2 Reduces electricity consumption, with benefits for environment, costs, and condensing unit lifetime
- 3 Beyond displaying gelato, the display case can work as a chiller cabinet

siliconflex

Moulds of the Sessantaquaranta range were developed in order to obtain a more efficient use of the baking surface and to reduce the time for preparation thanks to the optimization of the productivity in a baking mould of the dimension 60x40 cm. The moulds are made of 100% food safe silicone and can be used in the blast chiller as well as in the oven. The range 60 x 40 is ideal for a professional use in the world of ice cream production, confectionery and Horeca.

La linea i-Gloo propone una serie di prodotti in polycarbonato infrangibile nel tempo e agli urti, ideali per la conservazione, lo stoccaggio e l'esposizione delle vostre creazioni. Sono resistenti e indeformabili anche dopo essere stati posti a basse temperature (-60° C) risultando quindi essere utilizzabili anche in abbattitore.

*The i-Gloo range proposes a series of products in polycarbonate which is ideal for the conservation, stocking and exhibition of your creations. They are resistant and do not lose their shape even after undergoing low temperature (-60°C) and thus are usable also in the blast chiller.*

**VANTAGGI / ADVANTAGE**

- Assoluta trasparenza
- Facile identificazione del prodotto all'interno
- Resistenza agli urti
- Impiegnabilità
  
- Absolute transparency
- Easy identification of the product inside
- Crash-proof
- Stackable

EASY CHOC

MACADÒ is a practical, resistant and functional plastic box for macarons. Available in 2 sizes: for 6 or for 12 macarons. It is composed by a transparent cover, and a tray available in 8 design colours. The cover can be closed hermetically with a stable joint. In this way macarons are protected from humidity. Furthermore, thanks to its transparency, the products inside are clearly visible. MACADÒ can be customized with a sticker, a ribbon or any other decorative element used in pastry shops.
